

- Important Notice -

In accordance with provisions of National Division Rules Section 4 of the BLE-T Bylaws an Initiative Petition has been sponsored by divisions 13, 98, 155 and 236. The petition is intended to restore the process of electing national officers at the National Convention by delegates in attendance. Currently the process is “one-man-one-vote”.

At the next regular meeting, Jan. 5, 2010 at 9:00, our division will act upon this petition. If the initiative is successful on a nationwide basis the national division will mail a ballot to all active members that will decide the matter. If the initiative fails no further action will occur on this matter. Written arguments from supporting and non-supporting divisions will be presented.

If you want a voice in shaping the national officer election process make plans to attend this meeting.
